Sir.

I have the honor to submit herewith for the information of Government an extract from para 6 of the Kadur District Board's Proceedings dated the 12th instant wherein the Board have resolved to raise the mileage allotment of the 3 miles of the Sivane-Bukkambudi road from Rs 30/- to Rs 60/- per mile though they were unable to sanction the large amount of Rs 2263/- estimated by the Executive Engineer, Kadur Division, for improving this road, and to request that you will be so good as to obtain the sanction of Government to the proposal for which necessary provision has been made in the next year's Budget submitted to Government with my letter No. 484 dated 14th April 1904.

I have the honor to be
Sir
Your most obedient Servant.

For President, Dt. Board
Kadur District

Proceedings of the District Board meeting convened at Chikmagalur on the 11th & 12th April 1904.

× × ×

VI Read Kadur Division Executive Engineer's docket no: 714 of the 7th November 1903 forwarding an Estimate ~~for~~ Rs 2263/- for improving the Sivane-Bukkambudi road and explaining in detail the necessity for the improvement.

The Executive Engineer's proposal to gravel this road involves a large expenditure which the Board are unable to meet from the funds at their disposal. The work must therefore be deferred for the present. The Board, however, observe that the mileage allotment for the maintenance of this road viz Rs 30/- per mile, is very inadequate and resolved to raise it to Rs 60/- as recommended by the Executive Engineer and trust that this increased allotment will enable the Executive Engineer to maintain the road in good order.
